To carriers and drivers entering to the PIR TERMINAL

CARRIERS AND DRIVERS INFORMATIONS FOR THE CONTROL OF GREEN CERTIFICATION AT THE COMPANY

From 15 October 2021 until 30 April 2022, all drivers of vehicles entering to the terminal must be in possession of the Green Pass or certification of exemption or equivalent vaccination certification, in accordance to the italian Legislative Decree 127/2021.

PIR Personnel in charge will verify possession of the Green Pass before entering to the terminal.

The check will take place at the Truck Check-In office.

Following the check, truck drivers will be ask to sign a special register where name, surname, date of birth and the outcome of the verification will be noted.

As defined by the italian law, no other data will be recorded by the PIR company.

This register is compulsory to demonstrate that the checks have been carried out.

Following the request to show the Green Pass or any equivalent certifications, in the case in which non-possession is ascertained or communicated, PIR personnel, in charge of the control, will not allow access to the terminal.
